Opened in 2022, MAP Petite Maison is a dedicated cocktail and whisky bar in Stockholm. We have the largest selection of Japanese whiskies in Sweden and curated relationships with various world whisky distilleries.

We offer special whisky experiences paired with unique cheeses and tapas and an exclusive whisky masterclass where the guests can choose from award winning whiskies by small distilleries, rare releases of Japanese whiskies and world famous whiskies such as the Macallan etc. These experiences can be booked privately or just for a couple or small group.

We also have two sister venues in London, MAP Maison which is a whisky and cocktail bar as well as La Bibliothèque which is a restaurant focusing on Mediterranean and Japanese cuisine.
