

The
MACALLAN[®]

HIGHLAND SINGLE MALT
SCOTCH WHISKY

An obsession with quality has been the hallmark of The Macallan since its founding by Alexander Reid on a plateau above the river Spey in north-east Scotland. The distillery is surrounded by a 485 acre estate with Easter Elchies House at its heart.

The Macallan was one of the first distilleries in Scotland to be legally licensed.

Since then they have built a reputation as one of the world's leading single malt whiskies.

The creation of The Macallan draws on the vital contributing influences of Spain, North America and Scotland - and of their respective natural raw materials, combined with traditional methods and craftsmanship.
